Music Biography

Peter Valentine

Singer – Songwriter – Pianist – Inspirational Artist

Peter Valentine — Singer, songwriter, and multi-instrumentalist — brings a wealth of experience and passion to every performance. Originally from Long Island, New York, he is a graduate of Stony Brook University, where he earned two Gershwin piano awards and performed *Rhapsody in Blue* with both the Stony Brook Concert Band and the Kingsborough Community College Concert Band.

After graduation, Peter moved to New York City to pursue a career in music. He co-formed the original band *27 Heavens*, performed on Broadway in *The News* and *RENT*, and lent his voice to iconic jingles including “*Wait’ll We Get Our Hanes on You*,” Folgers’ *The Best Part of Waking Up*, and Dr. Pepper commercials. His career has included performances alongside renowned artists such as Carly Simon, Pat Benatar, Bruce Springsteen, Tony Bennett, Pete Seeger, Bill Chinnock, L. Shankar, and Darlene Love.

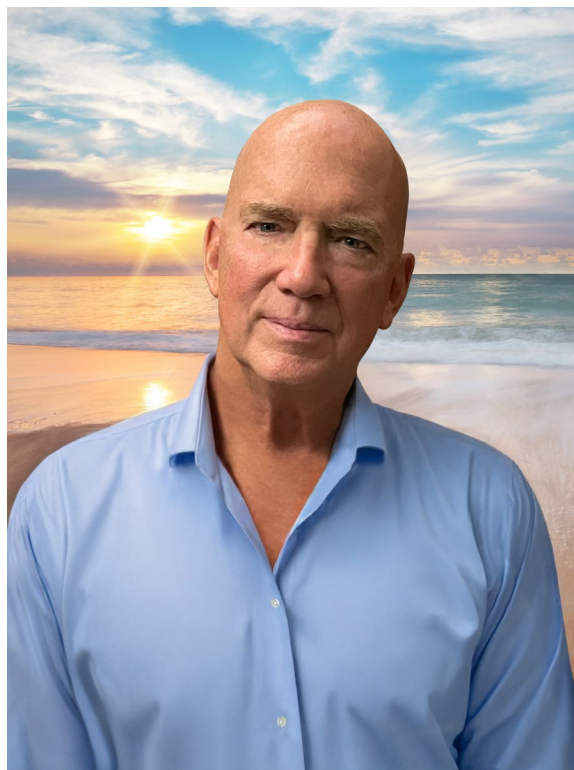

With a repertoire spanning Pop, Rock, R&B, Soul, Reggae, Country, and Funk, Peter is most at home behind the piano or keyboard, singing hits from the 1960s to today. He has also released several original singles, both commercial and inspirational, with lyrics written in collaboration with his brother Tim.

Since relocating to Vero Beach, Florida, Peter has become a staple of the local music scene, performing at Post & Vine, Vero Beach Country Club, Orchid Island Golf & Beach Club, Bent Pine Country Club, Atmosphere at Vero, and Havana Nights, where he has been a featured performer for several years. He also performs with South Florida singer Jenny Perkins, with whom he has formed a new rock band called *ChaChing*.

In addition to his live shows, Peter collaborates with musicians and singers at The Community Church of Vero Beach, where some of his original inspirational songs have been showcased. His mission is to use the gifts God has given him to inspire others through music that uplifts, encourages, and points to the love of Christ.

From Heart

We are all brothers and sisters on this planet, called to share what we have been given with generosity and love. That is the heart of this music. My songs carry a modern sound that resonates strongly with younger audiences, yet I have been humbled to see how people of all ages connect with the message.

Thank you for taking the time to listen to my music. My deepest hope has always been to use the gifts God has given me to inspire people from all walks of life. With the help of my brother, Tim, who has written these poignant lyrics, I believe we've found a way to do just that.

We are all brothers and sisters on this planet, called to share what we've been given with generosity and love. That is the heart of this music. My songs carry a modern sound that resonates strongly with younger audiences, yet I've been humbled to see how people of all ages connect with the message.

Several of my songs have already been used in worship services in New York and here in Florida at the Community Church of Vero Beach, and I'm prayerfully seeking more opportunities to share this music. Whether through radio, live concerts, or church worship nights, my mission is to encourage, uplift, and point hearts toward Christ.

Thank you for considering this music and for sharing it with anyone who might be blessed by hearing it.

Warmly,

Peter Valentine
